

The Power of Rhetoric

The people of Rome have determined that Antony's speech is more effective than Brutus'. Analyze the truth of this statement. You must include analysis of such rhetorical elements as repetition, parallelism, rhetorical questions, anaphora, pathos, ethos, and logos. It is not enough to show that the technique has been used. You must analyze its affect. Why did it fail or succeed?

- Remember Aristotle's Triangle- Subject, Speaker, & Audience.
- Follow the Claim/Support/Explanation format.
- Minimal requirement of five paragraphs
